Who Is Eligible?

You may be able to get financial assistance if you live in the following counties: Cannon, Davidson, DeKalb, Hickman, Rutherford, Warren, White, Montgomery, Putnam, Sumner, Williamson, Wilson and Humphrey. Financial assistance is generally determined by your total household income as compared to the Federal Poverty Level. If your income is less than or equal to 250¹% of the Federal Poverty Level, you may receive a 100% charity care write-off on the portion of the charges for which you are responsible. If your income is above 250¹³% of the Federal Poverty Level but does not exceed 400²% of the Federal Poverty Level, you may receive discounted rates on a sliding scale. If you have medical debt for emergency and medically necessary care that exceeds your income, you may be eligible for a discount. If you have assets in excess of 250% of your Federal Poverty Level income amount you may not qualify for financial assistance. [You may have to pay a small flat charge for services.]³ Patients who are eligible for financial assistance will not be charged more for eligible care than the amounts generally billed to patients with insurance coverage.
